The games themselves are usually kid-friendly, although some can be scary, and the chat filters in every game do a great job of filtering out any language that could be deemed offensive for younger eyes.

Technology circles have long believed some version of this vision can and will feasibly exist – Stephenson himself now works at augmented reality start-up Magic Leap – even if what that would look like exactly when transposed into today's world is still quite unclear.

We cannot share the images because Activision is issuing copyright takedown notices to anyone directly hosting them. If you're curious about the cover art, this is still currently available via Reddit and Imgur. This artwork doesn't confirm much, other than the World War 2 setting. It's also very clear from these images that there will be, as expected, several editions of the game, including cross-gen bundles.

T-Shirts are a different category from Shirts and Pants partly because they are, by default, cheaper. While Shirts and Pants have a minimum price of 5 Robux, T-Shirts have a minimum of 2 Robux.
